

VIII ECOP-ISOP JOINT MEETING
ROME, 28 JULY-02 AUGUST 2019

Symposium proposal

In order to facilitate the submission of proposals we launch an

"Open call for proposals for symposia by the FEPS Societies"

You and your colleagues can participate as organizers and /or speakers on topics of your choice. Proposals will consist of a single page as follows:

1. Topic and Title of Symposium (1.5 hour)
2. Name and affiliation of Proposer/s (proposers should be members of an European Society of Protistology)
3. Abstract of the symposium subject (~300 words) stressing the topic relevance.
4. List of 3/4 invited speakers, who pre-agree to participate, considering that proposers may be potential speakers.
5. A short bibliography concerning speakers' scientific activity.

Invited speakers must have expressed their willingness to participate

Please send the Symposium proposals to mariacristina.angelici@iss.it

Deadline for application is **January 31, 2019** and the acceptance will be communicated by **February 15, 2019**.
